Social Media Marketing, Website Design, Organic SEO, Content Creation and Delivery

Introduction: In quest of the mission:

To protect water quality in the May River Watershed delivering to future generations a clean environment; and guaranteeing edible May River oysters from the Headwaters to the Calibogue Sound.

We offer annual marketing contracts in support.

The plan is to:

- 1) Prove to all observers that the political will exists within the community
- 2) Inform the community as to the challenges by presenting scientific and human interest information
- 3) Provide to the community information on potential solutions that achieve the mission

Reporting:

- 1) Quarterly Reporting showing Materials Produced
- 2) Quarterly Statistical Analysis
- 3) Quarterly polling showing successes and shortcomings

Recognition on our website and social media if desired by client
